

Prosthetic Socks, Liners and Cosmetic Covers (Appurtenance)

The Maltings Amputee Rehabilitation Service

We would like to give you some information about how your prosthetic socks, liners and cosmetic covers are supplied. This leaflet explains what items you are entitled to in any 12 month period.

When you or a carer request any of these items, your Prosthetist will check that you are entitled to receive the requested items and order them as appropriate. If you have already used your allowance then you are able to request information as to where to buy further items privately.

When ordering any of these items please specify your size and list the amount you require. Please use the item number on the packaging the item came in or on the Appurtenance Card supplied with your items. This helps to reduce confusion and increases efficiency of ordering.

Please bring spare socks with you to any appointments at the limb clinic as spare ones will not be available on the day.

You will be contacted when your items are ready for collection at a time convenient to yourself, or the items will be posted to you by recorded delivery so it is important that you ensure we have your current address when you make your request.

If you have not been seen by the Prosthetist for some time when you contact us to request any items we will ask you to attend for a review.
